

Motorsport Ireland RMC Round 7 Event Format

The event will run in accordance with appendix 70.1 of the Motorsport Ireland Yearbook with Regards to the scoring of championship Points

Due to only 5 classes competing, it has been decided among the stakeholders of this event that there will be a separate final for the IRL plate where no championship points will be awarded.

The format will be as follows 3 heats will take place and the combined number of points awarded will be used to set the grid for the final as is the case at any RMC Round. After the final for championship points there will again be points awarded to the drivers the same as if it were a heat. The combined points total from Heats 1, 2 and 3 added to the points awarded for the final will determine the grid for the IRL Final.

RMC World Final Ticket

- The highest points scorer from the O & IRL Senior MAX Finals will be awarded the Rotax Grand Final DD2 Ticket.
- Should this driver go on to win the Motorsport Ireland Senior MAX Championship, they must choose between the Senior MAX or the DD2 Grand Final Ticket.
- If the same driver wins both tickets, one of the tickets will revert to the second-highest scoring driver from the O & IRL Finals.
