

Co Kildare Motor Club CLG

Co. Kildare Motor Club regret to announce the postponement of the Kart Race Meeting which was scheduled to take place this Sunday, April 12th.

Due to significant logistical challenges caused by road blockades nationwide, affecting competitors, marshals, officials, and suppliers, the club has made the difficult decision not to proceed with the event.

This decision has not been taken lightly, and we sincerely thank all competitors who had entered.

We deeply regret making this announcement at such a late stage and assure you that every effort was made to find a solution.

The club would also like to extend our thanks to all stakeholders, sponsors, and local businesses for their continued support.

We will work closely with Motorsport Ireland and the Kart Commission to find a new date for this event later in the year

Yours In Motorsport
