12th July 2026 – Kiltorcan Raceway

Permit 26/088

Rule Clarification

Clarification Regarding GATE CLOCK for Timed Qualifying

Where Timed Qualifying is in operation for any class at an event the following will apply regarding the GATE CLOCK.

The first qualifying class/group will be permitted to enter the dummy grid area up until the time of release either by Instruction or the display of a green flag or light. The GATE will then be closed for that session and access will be forbidden.

For all subsequent classes / groups a 5-minute timer will be displayed commencing at the time the previous class / group are released. Once the 5-minute timer has ended the GATE will be closed for that session and access will be forbidden.
